PLAYBALL – Foundation Stage Sports Specialists

We, at Playball, believe that creating a *positive attitude* towards sport and physical activity at an early age is the key to lifelong participation.

Playball offers a multi-skill programme of sports activities, fundamental movement skills and games for children aged 2-9 years.

We break down the components of 8 major ball sports (rugby, netball, football, hockey, tennis, cricket, volleyball and basketball) and teach the 8 manipulation skills in a fun and active learning environment.

The 8 manipulation skills being:

- 1 Catching (4 types)
- 2 Kicking (4 types)
- 3 Throwing (x6)
- 4 Hitting (x5)
- 5 Bouncing
- 6 Heading
- 7 Dribbling (x3)
- 8 Trapping (x2)

Our action-packed lessons will immerse your children in fun, age-appropriate, high quality games and activities, ensuring that they have a positive experience with us and enjoy every minute of being physically active!
