07958 538386

**Cost:** £55 for the term (£5 per session)

**Dates:** Monday 9th January – Monday 27<sup>th</sup> March

### **PLAYBALL - Sport and Movement Development Specialists**

The aim of Playball is to introduce children to *constructive and enjoyable* movement through a multi-activity program. We, at Playball, believe that creating a *positive attitude* towards sport and physical activity at an early age is the key to lifelong participation.

The program follows a holistic approach and offers learning opportunities and experiences relating to the *cognitive, physical, social and emotional development* of the child.

We look forward to seeing you soon,

Biba Lloyd & Jenny Hunter
