Dear Parents

Information in case of adverse weather

At this time of the year we start to think about the weather and even the possibility of having to close the school due to adverse weather conditions.

My priority is to keep the school open whenever possible. A decision to close the school is made after careful consideration of a number of issues that include the staff's ability to travel to school, staff to pupil ratios and the condition of the school grounds with my paramount concern being the safety of pupils and staff.

There are several ways parents can check on the status of the school - Bucks County Council's school closure listing, our own website and office answer machine.

School closures will be listed by 8am:

- On the Bucks Council's closure list:
<https://closures.buckscc.gov.uk/> Or go directly to the Bucks CC website, search for education, schools, school closures
- On the school's website: <http://chestnutlane.bucks.sch.uk>
- Recorded message on the school's answer machine (only if a member of staff can get into school and this maybe after 8am). ***Please check all other systems before phoning the school.***

Woodlands

You will need to contact Woodlands directly for information regarding their setting.
