Dear Parents

Due to the introduction of the General Data Protection Regulation (GDPR) which comes into force on Friday, 25 May we would like your consent to communicate with you about fundraising activities managed by CLESA.

As you know CLESA provide an invaluable service to our schools and their activities regularly influence what the children are doing in each school. CLESA is an integral part of both our schools but CLESA is a separate charity and it is for this reason we seek your consent to continue to send you information about their work and activities.

Communication on CLESA's behalf is sent via our email / text services and on flyers through your child's book bags. These communications include information about Tea in the Box (Chestnut Lane), Sausage Sizzle (Elangeni), Fireworks Night, Fetes, Quiz Nights alongside other fundraising initiatives as well as newsletters and requests for help at events.

With the introduction of GDPR we will no longer be able to send this information to you without you **Opting in**. If you do not respond we cannot assume you wish to receive their information and all CLESA related information will cease to be sent to you.

As we are concerned that if you do not opt in you and your child will miss out on these CLESA activities we request that you complete this form and return it to the school office by **Friday 25 May**. By completing this form you will be providing us with your consent to send this information to you for the period of time your child attends Chestnut Lane or Elangeni. If you are currently a parent of Chestnut Lane only, Elangeni will seek your permission again on entry in to year 3.

You may of course opt out at any time by emailing the school office. However, if you have children at both schools at the point you choose to opt out we request that you email both schools.

Yours faithfully

Mrs C Plimsaul
