Dear Parents,

Save the Children's Den Day Friday 16th June

On Friday 16th June we're inviting all pupils to build dens for Save the Children's Den Day. It's a fun way for your children to raise funds that will change other children's lives, while they practise new skills and important lessons about working collaboratively together.

Our pupils will be joining children from around the UK to unleash their imaginations and transform the school grounds into amazing dens. We're asking children to bring in a £2 donation to take part. The money they raise will help Save the Children make life better for children around the world who don't have a safe place to sleep at night.

How to help your den-builders

To help us prepare for the day we are asking each child to bring in an item from home to help build dens. It could be a large cardboard box, an old, unwanted blanket or sheet, some clothes pegs, or any other item from around the house that we would be able to build with. We will only be able to return named items. Please can these be brought to the school hall on **Wednesday 14th or Thursday 15th June**.

On the Den Day (Friday 16th June) we would be grateful for any donations for Save the Children.

You can visit the event website at denday.org and learn more about Save the Children at savethechildren.org.uk

Den Day will be an amazing adventure for the children – and as well as having lots of educational fun they will be making a big difference to children in some of the world's poorest countries.

We would really appreciate your help to raise money for this great cause and make Den Day a lesson your children will always remember!

Mrs G Rehal
Deputy Headteacher
