Dear Parents

E-Safety Training Evening Thursday 22 November 7pm

On Thursday 22 November we will be holding an E-Safety Training Evening for parents at school from 7pm. Alison Watts from Bucks County Council will be running the training. As a staff we feel strongly that this subject is becoming increasingly more important for the age group we teach and we encourage parents to attend.

The training aims to enable parents to:

- Feel more confident in their role in e-safety issues.
- Feel better able to support the school in maintaining the e-safety of pupils.

E-safety involves children knowing how to navigate the online world safely and positively. Parents should be aware of how important it is and how you can support your child(ren) with this matter.

Please fill out the slip below and return to the school office or alternatively email us at office@chestnutlane.bucks.sch.uk by Monday 19 November.

Thank you for your continued support.

Miss A Flitney
