Dear Parents

As you will all know we are in the process of upgrading the playground equipment and generally making the area a more exciting place for the children to play.

We have been working closely with the local authority who has strongly advised that we stop vehicle access on to the playground as soon as possible. This traffic is damaging the tarmac as well as spoiling the markings we put down for the children's games.

Therefore, with immediate effect, the only parking available to parents and visitors will be on the road, unless disabled access is required.

Yours faithfully

Christine Plimsaul
