5 November 2018

Dear Reception Parents,

Reception children have been writing postcards in school and they thought it would be nice to go and post them to their parents.

We are going to take a walk to the local post box in Chesham Bois on the morning of Thursday 15 November. This will take us approximately 20 minutes and we will go in classes.

We **do need** written consent in order for your child to take part so please ensure you complete and return the permission slip below via the book bag by Friday 9 November.

Please give your child appropriate clothing, especially a coat and hat in this cold weather.

Regards,

Miss Vacher and Miss Sasson
