Dear Parents

Road Safety and Parking

The beginning and end of the school day are bound to be busy traffic periods as the children arrive and leave school. However we are increasingly concerned by the parking and behaviour of some of our parents.

I am sure the vast majority of parents do take care and are considerate when coming to and from school but I'm asking everyone to be vigilant in respecting others, to park reasonably and pay attention to road safety.

We regularly receive complaints from our neighbours about people parking across drives as well as blocking roads and pavements. We have received reports too of children on scooters dashing across the road and parents not paying attention to what their children are doing. In addition to all of the above, on occasion some parents have even been abusive.

We are all part of this local community and it is important we respect our neighbours. Please consider parking further away from school (or not driving at all) and walking.

It is very important that this situation improves so please tell us if you see incidents of dangerous parking or issues concerning road safety and we will address particular parents directly if necessary.

Yours sincerely

Mrs C Plimsaul
Headteacher
