

# Urgent Fireworks help

## VOLUNTEERS NEEDED FOR FIREWORKS

Our fireworks event managers are looking for volunteers to help run this year's event. We need help on the day and in advance, so please let us know if you can help. In addition, we are looking for a new team to run this event next year. So if you would like to be involved, assisting this year will be a great benefit for running it next year...

We cannot run these fireworks without an event team. It is a great community event for all the family (last year raising £3,500!!) and so would be really disappointing to see it cancelled next year.

Remember - all our children benefit from the funds raised, so your help is greatly appreciated.

Many thanks  
Seema & Sarah
