Dear Parents

Information in case of adverse weather

As we move towards winter and changeable weather conditions I wanted to update you with our arrangements during adverse weather.

My priority is to keep the school open whenever possible with my paramount concern being the safety of pupils and staff. A decision to close the school is made after careful consideration of a number of issues that include the condition of the school grounds, the staff's ability to travel to school and staff to pupil ratios.

There are two ways parents can check on the status of the school.

School closures will be listed by 8am:

- On the Bucks Council's closure list:
<https://closures.buckscc.gov.uk/> Or go directly to the Bucks CC website, search for education, schools, school closures
- On the school's website: <http://chestnutlane.bucks.sch.uk>

Woodlands

You will need to contact Woodlands directly for information regarding their setting.

Telephone: 01494 729054

Yours faithfully

Gemma Rehal
Headteacher
