Dear Parents and Guardians

### **Before School Childcare**

We are writing to you regarding before school childcare as we have received a formal 'right to request that the school considers establishing wraparound childcare' which is outlined in the DfE guidance document.

There is no capacity within the staffing structure for the school to provide this service, however, depending on the level of need by the parent body, we will investigate the viability of an external organisation providing this care on the school premises.

The first step in this process is to invite you to complete a survey to gauge the interest of the parent body. The survey will be sent to all parents / guardians. If we receive sufficient interest, we will take the second step of researching suitable providers. If we are successful in sourcing a provider, the third step would be for them to invite parents / guardians to take up their offer and agree a start date for their service at our school.

We will feedback to parents / guardians after the survey to confirm if we are moving to the second step. If appropriate, we will feedback again once providers have been investigated.

If you have any questions regarding this process please email me at [Chairofgov@chestnutlane.bucks.sch.uk](mailto:Chairofgov@chestnutlane.bucks.sch.uk). I hope to be able to respond to individual questions but if necessary, I will collate the queries and write a general response which I will send out via the school office.

Yours faithfully

Christine Plimsaul  
Chair of Governors
