

Chepping View Primary Academy SCITT

Do you want to inspire the next generation?

Have you thought about becoming a primary school teacher in the Early Years or Key Stage 1?

Why this career?

- A strong demand for well-trained, qualified primary school teachers, especially in the Early Years
- Very rewarding work, inspiring the next generation
- Opportunities for significant career and salary growth, both in the UK and overseas

What is the programme?

- A one year, post-graduate programme leading to **Qualified Teacher Status**, specifically for a career working in the Early Years or Key Stage 1
- Classroom based, on-the-job skills development in a network of local schools
- Option to study for a PGCE (Post Graduate Certificate in Education)
- Includes formal training in High Wycombe and surrounding partner schools
- Supported by experienced Teacher Tutors and School-based Mentors
- School direct (employed) and fee-paying (student loan or privately funded) places
- Allows trainees to specialise in their preferred areas of primary teaching (including placements in Nursery, Reception and KS1)

Who can apply?

- Graduates in any subject

How to apply?

- All applicants go through UCAS
- Applications are now open for trainees starting September 2019

Visit us:

- Join our next monthly open session (contact us for dates)
- Arrange an informal discussion with Debrah Maddox or Michelle Huggett at our Chepping View training centre
