

Have you considered becoming a School Governor?

Could you use your skills to do something new and rewarding?

Are you able to contribute to a supportive, motivated, local team?

At Chestnut Lane School we are looking for new School Governors from the local community. Our Governors play a vital role in supporting the school to achieve its vision: *'To provide an excellent educational foundation that inspires curiosity, creativity, confidence and a love of learning'*.

We are continuously seeking to improve as a governing body and see ourselves as the link between the school and the community. Diversity & Inclusion underpins our values and we actively encourage applications from all backgrounds to join our Governing Body in order to fully reflect the community that our school serves.

Whilst all experiences would be valuable, we are currently seeking those with skills in the areas of Finance, Administration or Committee leadership.

Full induction and training in Governance will be provided.

If you feel you would have something to offer, or know someone else who may be interested, please contact us.

We would love to hear from you

by 19th November 2023!
