

Freedom of Information

Guide to information available from Chestnut Lane School

We have adopted the model Freedom of Information publication scheme which was prepared and approved by the UK's Information Commissioner. This commits us to make information available as part of our normal school activities at minimum inconvenience and cost to the public.

Any charges for routinely published material will be justified, transparent and kept to a minimum. Information which is published and accessed on our website will be provided free of charge. If a parent requests a paper copy of information on our website, this will be provided free of charge.

This Guide sets out what information is covered by the Freedom of Information publication scheme and how it can be obtained. It also includes a schedule of any charges.

If you would like to make a request for information under the Freedom of Information Act, this needs to be in writing. Please contact: **Suzanna Owen at Office@chestnutlane.bucks.sch.uk**
