## About Book Club

Hi! I'm Emily, an Editor and Journalist with over 20 years of experience. I started Book Club to inspire a love of reading in children, helping them explore new genres, analyse texts, and build confidence in identifying literary terms like alliteration and onomatopoeia.

Each session is themed, and we will dive into a variety of poems and stories. From Shakespeare and Christina Rossetti to Philip Pullman, Joseph Coelho, and beloved classics by Enid Blyton and Julia Donaldson, we approach texts with curiosity and fun. Children will have the chance to read aloud, discuss themes and try their hand at creative writing.
