About AmazonSmile

- AmazonSmile is a charity program operated by Amazon. As per this, **Amazon donates 0.5% of the net price** of all eligible purchases to the charitable organisation chosen by the customer.
- **The customer does not pay a penny extra.** The donation comes from Amazon.
- AmazonSmile is the same Amazon as you know (same user id, same password, **same products at same prices**, same settings), just with the additional donation to the charity of your choice.
- Please note, the usual www.amazon.co.uk URL will not automatically link your purchases to the AmazonSmile program. **Orders have to be placed via smile.amazon.co.uk to qualify for a donation.**

Every penny gives us greater scope & flexibility to purchase exactly what we want in the quantities that we want to purchase and makes sure we can enhance the education, resources and experiences of the children whilst they are with us.
