Circle the sun
like a hero

now I've made
the number 0!

Number 1
is
like
a
stick

a
straight
line
down

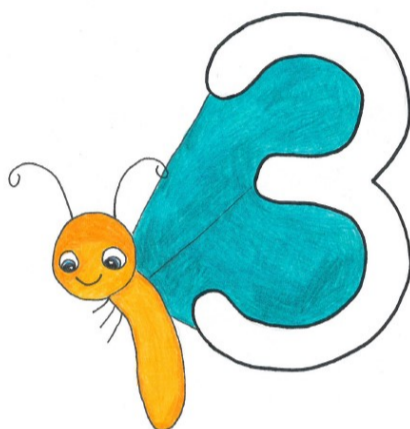

that's
very
quick!

Half a heart says
"I love you"

add a line,
now I've made 2!

Round the butterfly wings
you'll see

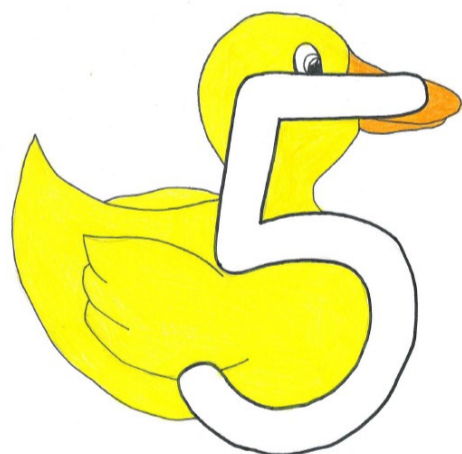

that's how you make
the number 3!

Sail to shore

for number 4!

Down duck's neck
and around his tummy

add his beak
to make it funny!

Spoon in bowl
and give it a mix

now I've made
the number 6!

Snappy seven!

I ate
two doughnuts

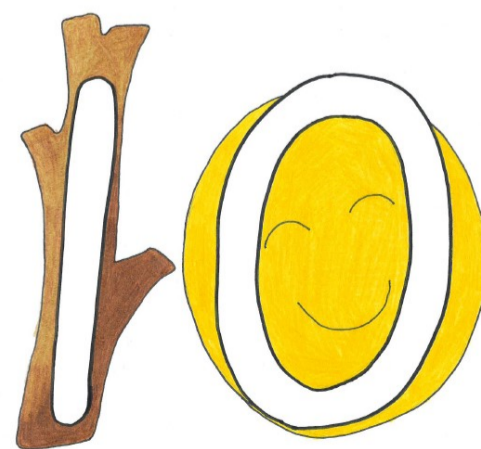

for number 8!

Tall and proud,
he looks so fine

a crown on top
for number 9!

A stick
and a sun

number 10
you're done!
