

## Chestnut Lane Number Formation

	<p>Around we go, when we get back home we have a <b>zero</b>.</p>		<p>Start at the top and down we run, that's the way to make number <b>one</b>.</p>		<p>Half a heart to say, "I love you too," Then add a line to make a number <b>two</b>.</p>		<p>Around the tree just like a 'B', Now we've made the number <b>three</b>.</p>		<p>Down and across and down once more. Now we've made the number <b>four</b>.</p>		<p>A straight neck and a round tummy. Put a hat on top to make <b>five</b> look funny.</p>		<p>Down we go and make a loop, number <b>six</b> makes a hoop.</p>		<p>Across the sky and down from heaven. That's the way to make a <b>seven</b>.</p>		<p>Make an 'S' and do not wait, climb back up to make an <b>eight</b>!</p>		<p>Draw a loop and a line to make a perfect number <b>nine</b>.</p>
