

## Chestnut Lane School Number Formation Rhymes

Around the sun like a hero

Now you've  
made the number 0!

Number 1 is  
like a stick

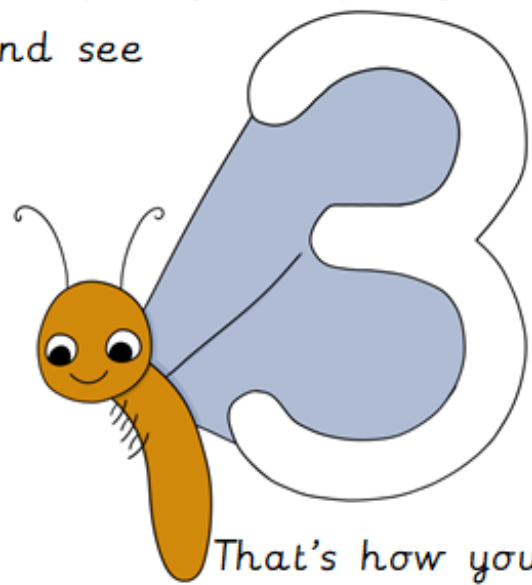

A straight  
line down  
that's very  
quick!

Half a heart says  
'I love you'

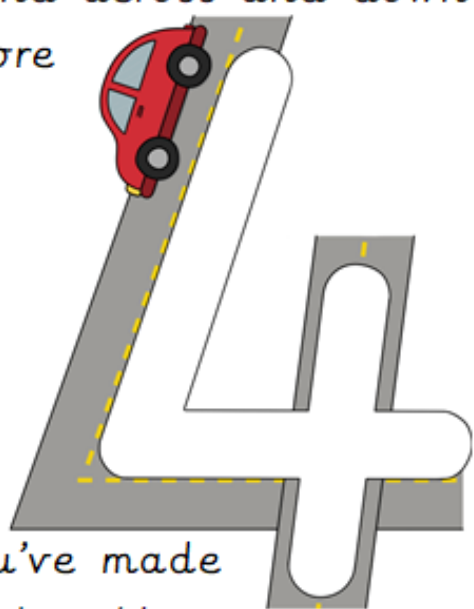

Add a line,  
now I've made 2!

Round and round the wings  
and see

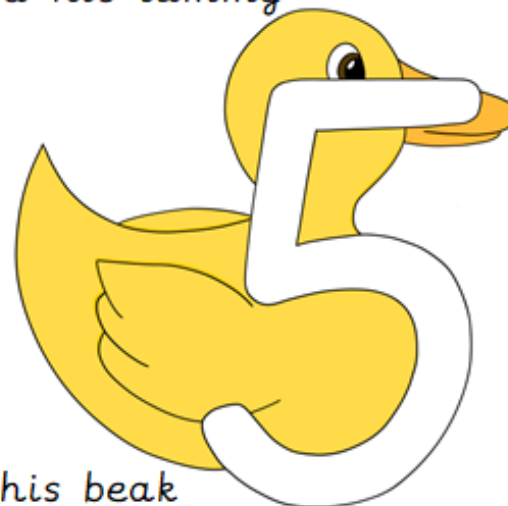

That's how you  
make the number 3!

Down and across and down  
once more

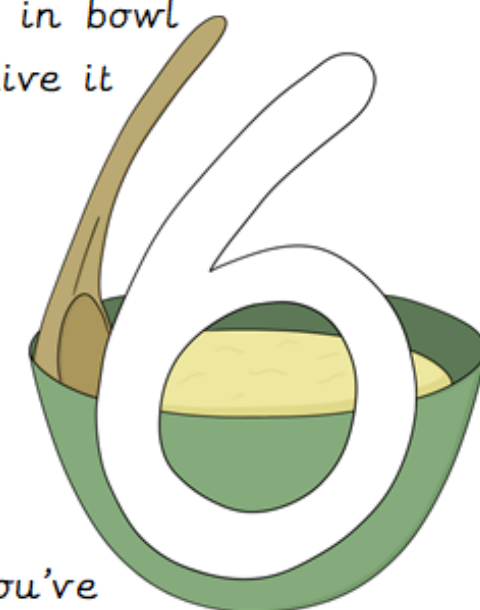

Now you've made  
the number 4!

Down duck's neck and  
around his tummy

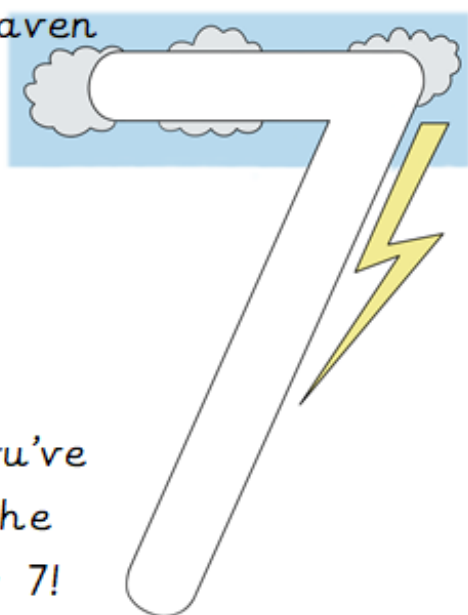

Add his beak  
To make it funny!

Spoon in bowl  
and give it  
a mix

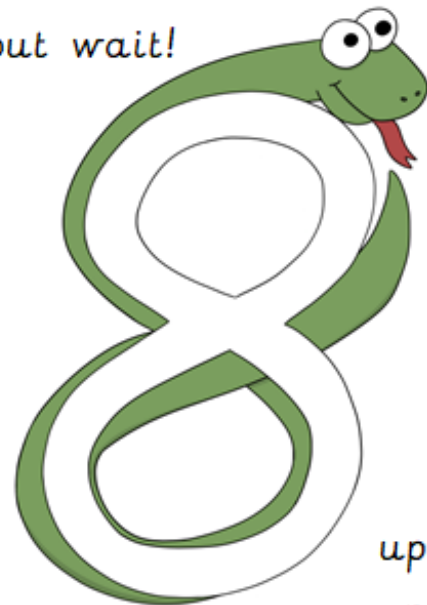

Now you've  
made the number 6!

Across the sky and down  
from heaven

Now you've  
made the  
number 7!

Slither down the snake  
but wait!

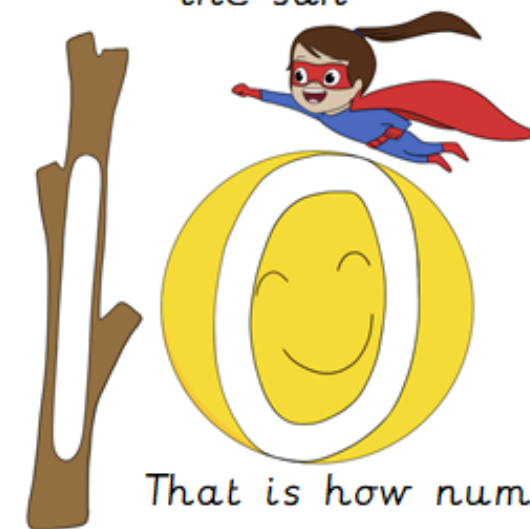

Go back  
up to make  
number 8!

Around the balloon and  
down the line

That how you make  
the number 9!

Down the stick and around  
the sun

That is how number  
10 is done!
