## **Are you enthusiastic about education?**

## **Are you able to lead a supportive, motivated, team of governors?**

For September 2025, we are seeking a new **Chair of Governors** to oversee our experienced team, as we move forward together to uphold and improve upon the standards of education that our pupils enjoy. Our Governors play a vital role in supporting the school to achieve its vision: *'To provide an excellent educational foundation that inspires curiosity, creativity, confidence and a love of learning.'*

Our current Chair is completing their term of office so this is an amazing opportunity for a skilled leader, with experience at a senior organisational level, to use their expertise and abilities to make a real difference to the life chances of the 3-7 year old children in our school, and help us in the next stage of our development.

Our January 2025 Ofsted report acknowledged the strength of our Governing Body: *"Governors provide a clear, strategic vision. They offer challenge and support in equal measure."*

Full Chair of Governors induction and training will be provided.

All we ask is that you have the time, energy and experience to join us. For an informal chat and for more information please contact us.

We would love to hear from you by 2<sup>nd</sup> June 2025!
