# Survey for Parents and Guardians of SEN Pupils

**July 2026**

We would like to gather the views of parents and guardians of children who are being supported at SEN support, or have an Educational Health and Care Plan. We understand that some children will have been supported with their needs in school, and others will have also received external agency support. Please provide as much information as possible about your family's experience over your time at Chestnut Lane School.

Thank you in advance for your time and support with this.

Best wishes
